More information about the licensee and/or products and/or units can be obtained at the website of CU (www.controlunion/certification.com) or in www.asc-aqua.org"

This certificate recommends the eligibility of the certificate holder to use the ASC label after obtaining and comply with a label license agreement with MSC I and may claim that its aquaculture products are the result of "Responsible Aquaculture Farming".

Annex to Certificate – ASC

CERTIFICATE N°: **CUP-828018-ASC-2013-01**

The certificate holder shall not make any claim about ASC certification on consumer facing products without a valid ASC label license.

The products included in the scope of this certificate can be traded as ASC certified products after the information of this certificate is updated in the ASC website

This certificate including the annex remains property of CUP and can be withdrawn in case of terminations as mentioned in the licensee contract, or in case changes or deviations of the above mentioned data occur. The licensee is obliged to inform CUP immediately of any changes in the above mentioned data. Only an original and signed certificate with its annexes is valid. This certificate and all its copies or reproductions shall be returned to CUP or destroyed immediately on request.

This certificate itself does not constitute evidence that a particular product supplied by the certificate holder is ASC-certified. Products offered, shipped or sold by the certificate holder can only be considered covered by the scope of this certificate when the required ASC claim is clearly stated on invoices and shipping documents
