The validity of this certificate shall be verified on <http://www.asc-aqua.org/finalfarmauditreports>.

This certificate itself does not constitute evidence that a particular product supplied by the certificate holder is ASC-certified. Products offered, shipped or sold by the certificate holder can only be considered covered by the scope of this certificate when the required ASC claim is clearly stated on invoices and shipping documents.

This Certificate remains the property of DNV Business Assurance. This certificate and all copies or reproductions of the certificate shall be returned or destroyed on request of DNV BA.

Any changes in the product or process shall immediately be reported to Det Norske Veritas in order to verify whether this Certificate remains.
