Notice of Acceptance as an ISEAL Associate Member

Dear Bas,

I am happy to inform and congratulate you on your acceptance into the ISEAL community as a new associate member. We look forward to the mutual learning and collaborative opportunities to come out of your participation with us under your new status with us.

You are now eligible to have access to ISEAL's online community, as well as receive the ISEAL Community newsletter, a monthly publication especially for Members and Affiliates. In order to access the online community, please register yourself using the following link: <http://www.isealalliance.org/user/register>

Annual fees for Associate Membership (pro-rated for the calendar year) are now due upon invoice from our Finance and Operations department, which you should receive quite shortly directly from them. If you have any related questions, please be in touch with our Finance Coordinator Karen Halvey, karen@isealalliance.org

Please let me know whenever there is more I can do for you. Once again, congratulations and thank you for your interest and engagement with ISEAL in this way. As always, we remain available and eager to exchange with you.

With best regards,
